

# BRAND IDENTITY & CORPORATE STYLE GUIDE

# The ACS Logo

The ACS Corporate Logo is the direct representation of our company, our people, and our brand to our clients. It is an asset that must be used consistently in all forms -- may it be in print or in digital format.

The corporate logo can be downloaded from: ACS Corporate Website > Media Center > Image Library  
or <http://www.acs.com.hk/en/branding-guidelines>

## The FULL CORPORATE LOGO

The ACS Corporate Logo is composed of the emblem, the company name and the corporate subtitle.

## The EMBLEM

The Emblem is the only unique representation of the company. When used in any material, it should be easily seen and identified. The emblem should also maintain its form and consistency across all languages.

# The ACS Logo - Language Versions

The ACS Corporate Logo has language versions to appeal to targeted audiences. Currently, only the Chinese and Japanese versions of the logo are considered “official.”
