

Securing All Identities

ACS is dedicated to developing a wide range of Smart Cards and Card Readers to secure worldwide identities since 1995.

Introducing the Future: New Contact and Contactless Reader Series

Revolutionizing the identification and payment industries, we are proud to unveil our new contact and contactless reader series, ACR40U and ACR1552U.

Engineered with advanced technology for higher performance and efficiency, these devices are set to redefine your expectations of Smart Card and NFC Reader.

Check out the tech spec of [ACR40U-A1](#), [ACR40U-B1](#) and [ACR1552U](#) now!

Join us at Trustech 2023: Where Technology meets Trust

Mark your calendars! ACS is excited to announce our presence at Trustech 2023, the leading global event for innovative payments and identification, happening from 28th November to 30th November 2023.

Visit us at **Booth G058, Paris Expo Porte de Versailles - Pavillon 5.2**, where we will be showcasing our latest innovations and engaging with industry leaders.

A Fresh Take on Innovation: Our 2023-2024 Product Catalogue
