

ACS Selected for "Forbes Asia's Best Under a Billion" for the Third Time

ACS has been honoured as one of Forbes Asia's Best Under a Billion companies in 2015. This is the third time that ACS has been included in the list, while ACS was also included in the 2010 and 2014 lists.

The unranked list comprises the 200 top-performing companies among 17,000 of Asia Pacific's publicly-listed companies, with revenues between USD5 million and USD1 billion. ACS is privileged to be one of only two companies from Hong Kong's technology sector.

ACS Launches ACR39U Smart Card Reader

ACS has released its next-generation high-speed smart card reader, the ACR39U. The ACR39U boasts greater speed than its predecessors, while maintaining the same level of cost-effectiveness and workmanship that ACS's readers became known for.

The ACR39U has a read/write speed of up to 600Kpbs and has protocol and parameters selection (PPS).
