Dear Sir or Madam,

**RIGHTS ISSUE ON THE BASIS OF
ONE RIGHTS SHARE FOR EVERY EIGHT EXISTING SHARES
HELD ON THE RECORD DATE**

INTRODUCTION

Reference is made to the Announcement in relation to the Rights Issue.

On 23 September 2016, the Company proposed to raise approximately HK\$40.5 million, before expenses, by way of a rights issue of 35,507,210 Rights Shares on the basis of one Rights Share for every eight existing Shares held by the Qualifying Shareholders on the Record Date at the Subscription Price of HK\$1.14 per Rights Share payable in full on acceptance. The Rights Shares will be fully underwritten by the Underwriter, other than those that will be provisionally allotted to and taken up by the Undertaking Covenantors pursuant to the Irrevocable Undertakings.

LETTER FROM THE BOARD

The purpose of this Prospectus is to provide you with details of the Rights Issue, including information on dealings, transfer and acceptance of the Rights Shares, and certain financial information and other information of the Group.

RIGHTS ISSUE

Basis of the Rights Issue	:	one Rights Share for every eight existing Shares held on the Record Date and payable in full on acceptance

Number of the Shares in issue as at the Latest Practicable Date	:	284,057,682 Shares
Number of the Rights Shares	:	35,507,210 Rights Shares, representing: <ul style="list-style-type: none">(i) approximately 12.50% of the total number of Shares in issue as at the Latest Practicable Date; and(ii) approximately 11.11% of the Shares in issue as enlarged by the Rights Issue.
Aggregate nominal value of the Rights Shares to be issued	:	HK\$3,550,721
Amount to be raised	:	approximately HK\$40.5 million and HK\$38.5 million will be raised from the Rights Issue before expenses and after expenses, respectively
Number of Shares in issue upon completion of the Rights Issue	:	319,564,892 Shares
Underwriter	:	Quam Securities Company Limited

Qualifying Shareholders

The Issue Documents have not been registered or filed under the applicable securities laws or equivalent legislation of any jurisdiction other than Hong Kong.

The Rights Issue is only available to the Qualifying Shareholders. The Company will not extend the Rights Issue to the Non-Qualifying Shareholders (if any). The Company will, to the extent permitted under the relevant laws and regulations and reasonably practicable, send this Prospectus, but without the related PALs and EAFs, to the Non-Qualifying Shareholders (if any) for information purposes only.

LETTER FROM THE BOARD

To qualify for the Rights Issue, the Shareholders must have been registered as members of the Company at the close of business on the Record Date and not be Non-Qualifying Shareholders.

Qualifying Shareholders who do not take up the Rights Shares to which they are entitled under the PALs should note that their shareholdings in the Company will be diluted.

Overseas Shareholders

Overseas Shareholders registered on the Company's register of members at the close of business on the Record Date may not be eligible to take part in the Rights Issue as the Issue Documents will not be registered or filed under the applicable securities laws or equivalent legislation of any jurisdiction other than Hong Kong.

As at the Latest Practicable Date, to the Company's best knowledge, there was an Overseas Shareholder whose address as shown in the register of members of the Company was situated in the Philippines (the "**PP Shareholder**"). As such, the Company has made an enquiry regarding the feasibility of extending the Rights Issue to the PP Shareholder pursuant to Rule 13.36(2)(a) of the Listing Rules.

The Company has made an enquiry with its legal advisers in the Philippines (the "**PP Legal Advisers**") as to whether there is any legal restriction and requirement of the relevant body or stock exchange under the laws of the Philippines with respect to offering the Rights Shares to the PP Shareholder. The PP Legal Advisers advised that the Issue Documents will not be required to be registered or filed with (and declared effective by) the SEC under the SRC by reason that (i) the Rights Shares are offered to all Shareholders exclusively without a commission or other remuneration being paid in connection with the Rights Issue in the Philippines; (ii) the Rights Issue in the Philippines is a private placement where the Rights Shares are offered to fewer than 20 persons in the Philippines during the last 12-month period; and (iii) other than the transmission of the Issue Documents, there shall be no other form of solicitation, marketing or advertising of the Rights Shares in connection with the Rights Issue within the Philippines by an entity, including the Company's agents, representatives, employees or any person acting on its behalf. Therefore, the Rights Issue will be extended to the PP Shareholder.

So far as the Directors are aware, as at the Latest Practicable Date, there was no restriction affecting the remittance of profits or repatriation of capital into Hong Kong from outside Hong Kong.

THE RIGHTS SHARES ARE BEING OFFERED BY THE COMPANY BY WAY OF A PRIVATE PLACEMENT OF THE SHARES IN THE PHILIPPINES, WITHOUT REGISTRATION, CLAIMING THE EXEMPTION THEREFROM UNDER SECTION 10.(K) OF THE SRC.

THE RIGHTS SHARES HAVE NOT BEEN REGISTERED WITH THE SEC UNDER THE SRC. ANY FUTURE OFFER OR SALE THEREOF IS SUBJECT TO THE REGISTRATION REQUIREMENTS UNDER THE SRC UNLESS SUCH OFFER OR SALE QUALIFIES AS AN EXEMPT TRANSACTION.

LETTER FROM THE BOARD

Arrangements have been made for the Rights Shares which would otherwise have been provisionally allotted to the Non-Qualifying Shareholders (if any) to be sold in the market in their nil-paid form as soon as practicable after dealings in the nil-paid Rights Shares commence and before dealings in the nil-paid Rights Shares end, if a premium (net of expenses) can be obtained. Any net proceeds of sale thereof, after deduction of expenses, will be distributed by the Company to the Non-Qualifying Shareholders (if any), at their own risk, pro rata to their respective entitlements provided that if any of such persons would be entitled to a sum not exceeding HK\$100, such sum will be retained by the Company for its own benefit. Any unsold nil-paid Rights Shares to which the Non-Qualifying Shareholders (if any) would otherwise have been entitled, together with any Rights Shares provisionally allotted but not accepted by the Qualifying Shareholders or otherwise not subscribed for by transferees of nil-paid Rights Shares, will be available for excess application by the Qualifying Shareholders under the EAFs.

Notwithstanding any other provisions in the Issue Documents, the Company reserves the right to treat as invalid any acceptance of or application for the Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any jurisdiction.

Subscription Price

The Subscription Price is HK\$1.14 per Rights Share, payable in full by a Qualifying Shareholder upon acceptance of the provisional allotment of the Rights Shares under the Rights Issue or application for excess Rights Shares, or when a transferee of nil-paid Rights Shares applies for the Rights Shares.

The Subscription Price represents:

- (i) a discount of approximately 26.0% to the closing price of HK\$1.54 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (ii) a discount of approximately 27.4% to the average closing price of approximately HK\$1.57 per Share for the last five trading days as quoted on the Stock Exchange up to and including the Last Trading Day;
- (iii) a discount of approximately 26.9% to the average closing price of approximately HK\$1.56 per Share for the last ten trading days as quoted on the Stock Exchange up to and including the Last Trading Day;
- (iv) a discount of approximately 24.0% to the theoretical ex-rights price of approximately HK\$1.50 per Share, based on the closing price of HK\$1.54 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (v) a premium of approximately 200.0% over the unaudited consolidated net asset value attributable to equity holders of the Company per Share as at 30 June 2016 of approximately HK\$0.38; and
- (vi) a discount of approximately 27.8% to the closing price of HK\$1.58 per Share on an ex-rights basis as quoted on the Stock Exchange as at the Latest Practicable Date.

The Subscription Price was arrived at after arm's length negotiations between the Company and the Underwriter with reference to the market prices of the Shares under the prevailing market conditions and the amount of fund to be raised under the Rights Issue.

LETTER FROM THE BOARD

The Directors (including the independent non-executive Directors) consider that the discount of the Subscription Price to the prevailing market prices of the Shares will encourage the Qualifying Shareholders to participate in the Rights Issue and accordingly maintain their pro rata shareholdings in the Company and participate in the future growth of the Group.

After taking into account the reasons for the Rights Issue as stated in the section headed “Reasons for the Rights Issue and use of proceeds” below, the Directors (including the independent non-executive Directors) consider that the terms of the Rights Issue, including the Subscription Price and the rate of commission to be paid to the Underwriter, to be fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Fractional entitlement to the Rights Shares

The Company will not provisionally allot fractions of the Rights Shares in nil-paid form to the Qualifying Shareholders. All fractions of the Rights Shares will be aggregated (and rounded down to the nearest whole number) and all nil-paid Rights Shares arising from such aggregation will be sold in the market for the benefit of the Company if a premium (net of expenses) can be achieved. Any unsold aggregate of fractions of the Rights Shares will be made available for excess application by the Qualifying Shareholders under the EAFs.

Status of the Rights Shares

The Rights Shares, when allotted, issued and fully-paid, will rank *pari passu* in all respects with the then existing Shares in issue on the date of allotment of the Rights Shares. Holders of such Rights Shares will be entitled to receive all future dividends and distributions which are declared, made or paid on or after the date of allotment and issue of the Rights Shares.

Application for excess Rights Shares

Qualifying Shareholders are entitled to apply for any unsold entitlements to the Rights Shares of the Non-Qualifying Shareholders (if any) had they been Qualifying Shareholders, any unsold Rights Shares created by adding together fractions of the Rights Shares and any nil-paid Rights Shares provisionally allotted but not accepted by the Qualifying Shareholders or otherwise subscribed for by transferees of nil-paid Rights Shares.

Application for excess Rights Shares can be made only by the Qualifying Shareholders and only by completing and signing an EAF (in accordance with the instructions printed thereon) and lodging the same with a separate remittance for the excess Rights Shares being applied for with the Share Registrar by not later than 4:00 p.m. on Friday, 4 November 2016. The Directors will allocate the excess Rights Shares at their discretion on a fair and equitable basis and as far as practicable on the following principles:

- (i) no preference will be given to applications for topping up odd-lot holdings to whole-lot holdings as the giving of such preference may potentially be abused by certain investors by splitting their nil-paid Rights Shares and thereby receiving more Rights Shares than they would receive if such preference is not given, which is an unintended and undesirable result; and

LETTER FROM THE BOARD

- (ii) subject to the availability of excess Rights Shares, the excess Rights Shares will be allocated to the Qualifying Shareholders who have applied for excess Rights Shares on a pro rata basis based on the number of excess Rights Shares applied for by them.

In applying the principles in (i) and (ii) above, reference will only be made to the number of excess Rights Shares being applied for. No reference will be made to the Rights Shares comprised in applications by PALs or the existing number of Shares held by the Qualifying Shareholders.

Share certificates and refund cheques for the Rights Issue

Subject to the fulfillment of the conditions of the Rights Issue, share certificates for all fully-paid Rights Shares and refund cheques in respect of wholly or partially unsuccessful applications for excess Rights Shares (if any) are expected to be posted by ordinary mail to the Qualifying Shareholders and unsuccessful applicants who have validly accepted and applied for (where appropriate), and paid for the Rights Shares on Monday, 14 November 2016 at their own risk. Each Shareholder will receive one share certificate for all allotted Rights Shares.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the new Shares arising from the Rights Issue, the Company has appointed, Computershare Hong Kong Investor Services Limited, as an agent to provide matching service, on a best effort basis, to those Shareholders who wish to acquire odd lots of the new Shares to make up a full board lot, or to dispose of their holding of odd lots of the new Shares during the period from Tuesday, 15 November 2016 to Tuesday, 6 December 2016. Shareholders who wish to take advantage of this service should contact Computershare Hong Kong Investor Services Limited at 17M Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong or at telephone number (852) 2862 8555 during office hours (i.e. 9:00 a.m. to 6:00 p.m.) of such period. Shareholders should note that successful matching of the sale and purchase of odd lots of the new Shares is not guaranteed. Shareholders who are in doubt about this service are recommended to consult their professional advisers.

Application for the listing of and permission to deal in the Rights Shares

The Company has applied to the Listing Committee of the Stock Exchange for the grant of the approval for the listing of, and permission to deal in, the Rights Shares, in both their nil-paid and fully-paid forms. The nil-paid and fully-paid Rights Shares are expected to have the same board lot size as the Shares, i.e. 8,000 Shares in one board lot. No part of the securities of the Company is listed or dealt in or on which listing or permission to deal is being or is proposed to be sought on any other stock exchange.

Subject to the granting of the approval for the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange or such other dates as determined by HKSCC. Settlement of transactions between participants of the

LETTER FROM THE BOARD

Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. Shareholders should seek advice from their stockbrokers or other professional advisers for details of those settlement arrangements and how such arrangements will affect their rights and interests.

Dealings in the Rights Shares in both their nil-paid and fully-paid forms which are registered in the register of members of the Company in Hong Kong will be subject to the payment of stamp duty and any other applicable fees and charges in Hong Kong.

PROCEDURES FOR ACCEPTANCE AND PAYMENT OR TRANSFER

Subscription for all Rights Shares provisionally allotted

For each Qualifying Shareholder, a PAL is enclosed with this Prospectus which entitles the Qualifying Shareholder to whom it is addressed to subscribe for the number of the Rights Shares shown on the PAL. If the Qualifying Shareholder wishes to exercise his/her/its right to subscribe for all the Rights Shares provisionally allotted to him/her/it as specified in the PAL, he/she/it must lodge the PAL in accordance with the instructions printed on the PAL, together with a remittance for the full amount payable on acceptance, with the Share Registrar at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong, by no later than 4:00 p.m. on Friday, 4 November 2016. All remittances must be made in Hong Kong dollars and must be forwarded either by cheques drawn on an account with, or cashier’s orders issued by, a licensed bank in Hong Kong and made payable to “**ADVANCED CARD SYSTEMS HOLDINGS LIMITED — RIGHTS ISSUE ACCOUNT**” and crossed “**Account Payee Only**”.

It should be noted that unless the PAL, together with the appropriate remittance, has been lodged with the Share Registrar by 4:00 p.m. on Friday, 4 November 2016, whether by the original allottee or any person in whose favour the rights have been validly transferred, that provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled. The Company may, at its sole discretion, treat a PAL as valid and binding on the person(s) by whom or on whose behalf it is lodged even if not completed in accordance with the relevant instructions.

Transfer and splitting of nil-paid Rights Shares

If a Qualifying Shareholder wishes to accept only part of his/her/its provisional allotment or transfer a part of his/her/its rights to subscribe for the Rights Shares provisionally allotted to him/her/it under the PAL or to transfer his/her/its rights to more than one person, the entire PAL must be surrendered and lodged for cancellation by no later than 4:30 p.m. on Thursday, 27 October 2016 to the Share Registrar at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong, which will cancel the original PAL and issue new PAL in the denominations required, which will be available for collection at the same place on the second business day after the surrender of the original PAL. This process is commonly known as “splitting” the nil-paid Rights Shares. It should be noted that Hong Kong stamp duty is payable in connection with the transfer of the rights to subscribe for the Rights Shares.

Having “split” the nil-paid Rights Shares, a Qualifying Shareholder who wishes to accept the provisional allotment of Rights Shares represented by a new PAL should do so in accordance with the instructions given above.

LETTER FROM THE BOARD

If a Qualifying Shareholder wishes to transfer all of his/her/its nil-paid Rights Shares under a PAL (or a split PAL, as the case may be) to another person, he/she/it should complete and sign the registration information in the PAL and hand the PAL to the person to or through whom he/she/it is transferring his/her/its nil-paid Rights Shares. The transferee must then complete and sign the registration details in the PAL and lodge the PAL intact, together with a remittance for the full amount payable on acceptance with the Share Registrar by no later than 4:00 p.m. on Friday, 4 November 2016. It should be noted that Hong Kong stamp duty is payable in connection with the transfer of the rights to subscribe for the Rights Shares.

The PAL contains full information regarding the procedures to be followed if a Qualifying Shareholder wishes to accept a number of Rights Shares different from his/her/its assured entitlement and the procedures to transfer the whole or part of the provisional allotment of the Rights Shares by the Qualifying Shareholder.

All cheques and cashier's orders will be presented for payment following receipt and all interest earned on such monies will be retained for the benefit of the Company. Any PAL in respect of which the cheque or cashier's order is dishonoured on first presentation is liable to being rejected, and in that event the provisional allotment and all rights under the provisional allotment will be deemed to have been declined and will be cancelled.

If the Underwriter exercises the right to terminate its obligations under the Underwriting Agreement before the Latest Time for Termination and/or if any of the conditions to which the Rights Issue is subject is not fulfilled in accordance with the paragraph headed "Conditions of the Rights Issue and the Underwriting Agreement" below, the application monies will be refunded, without interest, by sending cheques made out to the applicants (or in the case of joint applicants, to the first named applicant) through ordinary post at the risk of the applicants on or before Monday, 14 November 2016.

No receipt will be issued in respect of any application monies received.

Application for excess Rights Shares

If a Qualifying Shareholder wishes to apply for any Rights Shares in addition to his/her/its provisional allotment, he/she/it must complete and sign the enclosed EAF in accordance with the instructions printed on the EAF and lodge it, together with a separate remittance for the amount payable on application in respect of the excess Rights Shares applied for, with the Share Registrar at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, by no later than 4:00 p.m. on Friday, 4 November 2016. All remittances must be made in Hong Kong dollars and must be forwarded either by cheques drawn on an account with, or cashier's orders issued by, a licensed bank in Hong Kong and made payable to "**ADVANCED CARD SYSTEMS HOLDINGS LIMITED — EXCESS APPLICATION ACCOUNT**" and crossed "**Account Payee Only**".

All cheques and cashier's orders will be presented for payment following receipt and all interest earned on such monies will be retained for the benefit of the Company. Any EAF in respect of which the cheque or cashier's order is dishonoured on first presentation is liable to being rejected.

If no excess Rights Shares are allotted to a Qualifying Shareholder, a refund cheque for the full amount tendered on application is expected to be despatched by ordinary post to the

LETTER FROM THE BOARD

Qualifying Shareholder at his/her/its own risk on or before Monday, 14 November 2016. If the number of excess Rights Shares allotted to the Qualifying Shareholder is less than that applied for, a cheque for the surplus application monies is expected to be despatched by ordinary post to the Qualifying Shareholder at his/her/its own risk on or before Monday, 14 November 2016.

If the Underwriter exercises the right to terminate its obligations under the Underwriting Agreement before the Latest Time for Termination and/or if any of the conditions to which the Rights Issue is subject is not fulfilled in accordance with the paragraph headed “Conditions of the Rights Issue and the Underwriting Agreement” below, the monies received in respect of applications for excess Rights Shares will be returned without interest to the relevant Qualifying Shareholders and, in the case of joint applicants, to the registered address of the first-mentioned person by means of cheques to be despatched by ordinary post at their own risk on or before Monday, 14 November 2016.

No receipt will be issued in respect of any application monies received.

Date	:	23 September 2016 (after trading hours)
Underwriter	:	Quam Securities Company Limited
Number of the Underwritten Shares	:	a maximum of 13,710,389 Rights Shares (having taken into account the Irrevocable Undertakings and assuming no new Shares being allotted and issued and there being no repurchase of Shares by the Company on or before the Record Date)
Underwriter’s commission	:	4% of the aggregate Subscription Price in respect of 13,710,389 Underwritten Shares

To the best of the Directors’ knowledge, information and belief having made all reasonable enquiries, the Underwriter and its ultimate beneficial owners are third parties independent of the Company and its connected persons (as defined under the Listing Rules).

The underwriting commission was determined after arm’s length negotiations between the Company and the Underwriter by reference to the size of the Rights Issue, the prevailing market conditions and the commission payable in other similar transactions in the market. The underwriting commission to be charged by the Underwriter under the Underwriting Agreement is 4% of the underwritten portion which amounts to approximately HK\$625,000, being approximately 1.6% of the net proceeds to be raised from the Rights Issue. The Directors (including the independent non-executive Directors) consider that the terms of the Underwriting Agreement (including the underwriting commission) are on normal commercial terms which are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

LETTER FROM THE BOARD

The Rights Issue and the Underwriting Agreement are conditional upon the following:

- (i) the delivery to the Stock Exchange for authorisation and registration with the Registrar of Companies in Hong Kong respectively one copy of each of the Issue Documents duly signed by two Directors (or by their agents duly authorised in writing) as having been approved by resolution of the Directors (and all other documents required to be attached thereto) not later than the Despatch Date and otherwise in compliance with the Listing Rules and the Companies (WUMP) Ordinance;
- (ii) the posting of the Issue Documents to the Qualifying Shareholders on the Despatch Date;

- (v) the Underwriting Agreement is not terminated in accordance with the terms of the Underwriting Agreement.

If all of the above conditions are not satisfied or, if applicable, waived by 5:00 p.m. (Hong Kong time) on Monday, 7 November 2016, the Latest Time for Termination, or such later date as the Underwriter may agree with the Company in writing, the Underwriting Agreement shall terminate and no party will have any claim against any other party for costs, damages, compensation or otherwise save for any surviving provisions and any rights or obligations which may have accrued under the Underwriting Agreement prior to such termination, and the Rights Issue will not proceed.

LETTER FROM THE BOARD

- (i) the success of the Rights Issue would be materially and adversely affected by:
 - (a) the introduction of any new law or regulation or any change in existing law or regulation (or the judicial interpretation thereof) or other occurrence of any nature whatsoever which may in the reasonable opinion of the Underwriter materially and adversely affect the business or the financial or trading position or prospects of the Group as a whole or is materially adverse in the context of the Rights Issue; or

- (iii) there is any change in the circumstances of the Company or any member of the Group which in the reasonable opinion of the Underwriter will materially and adversely affect the prospects of the Company, including without limiting the generality of the foregoing the presentation of a petition or the passing of a resolution for the liquidation or winding up or similar event occurring in respect of any of member of the Group or the destruction of any material asset of the Group; or

LETTER FROM THE BOARD

REASONS FOR THE RIGHTS ISSUE AND USE OF PROCEEDS

The Group is principally engaged in the development, sales and distribution of smart card products, both hardware and software, and provision of smart card related services. The Group's principal business activities are currently classified into four different product and service lines, namely (i) readers; (ii) terminals; (iii) card operating systems; and (iv) solutions business including (a) AFC solutions; and (b) ITS solutions.

Based on the unaudited results of the Group for the six months ended 30 June 2016 as set out in the Company's interim report, the Group recorded a loss attributable to the Shareholders of approximately HK\$19.9 million, as compared to a profit attributable to the Shareholders of approximately HK\$9.4 million for the corresponding period in 2015, primarily attributable to the decrease in revenue and gross profit as a result of the global economy downturn which affected many customers in the smart card industries. Given such business environment, the Group has been exploring new markets and projects in order to diversify its income sources and maintain a sustainable growth in the long term. While the Group has established a foothold in the AFC and ITS markets and will continue to develop new products and take on new projects in these markets, Java cards (i.e. EMV bank cards) and payment terminals will be the new growth drivers of the Group in the future, as disclosed in the annual report of the Company for the year ended 31 December 2015. The development of these new products requires substantial capital expenditure. The Directors consider that the amount to be raised from the Rights Issue is sufficient to fund the development of these new products.

In anticipation of further demand from the payment and financial services markets, the Group is developing a smart card operating system, namely the ACOSJ series, which is powered by Java and can be applied for EMV bank card payments. The ACOSJ series are due to receive its China PBOC certification and worldwide recognised Visa and MasterCard certifications. Worldwide shipments of EMV bank cards in 2015 grew by 34% to US\$2.06 billion in 2015. This represents an opportunity for the Group to penetrate the EMV bank card market through development of EMV bank cards like the ACOSJ series.

Apart from selling non-banking POS terminals which are used for applications other than bank cards payment, the Group aims to enter the banking POS terminal market, given the potential market growth and the industry trend of migrating towards EMV and contactless technologies. As disclosed in the annual report of the Company for the year ended 31 December 2015, the banking POS terminal market experienced a growth of 32% in terms of total shipment in 2014. To take advantage of such potential growth, the Group is working towards launching an all-in-one banking POS terminal designed for payments using bank-issued cards.

The proposed Rights Issue is intended to raise funds of approximately HK\$40.5 million (before expenses). The net proceeds from the Rights Issue after deducting expenses are estimated to be approximately HK\$38.5 million. The Company intends to apply the net proceeds from the Rights Issue for the following purposes:

- (i) as to approximately HK\$22.0 million for development of Java cards and related payment applications, banking POS terminals and new products for the AFC and ITS markets, including purchase of raw materials, payment of engineers' remuneration, payments to certification bodies for application for industry standard certification, related product testing expenses and sales and marketing expenses; and
- (ii) as to approximately HK\$16.5 million for general working capital purposes.

LETTER FROM THE BOARD

The Rights Issue will increase the capital base of the Group and strengthen the financial position of the Group in the face of the global economy downturn. Moreover, the Rights Issue will give the Qualifying Shareholders the opportunity to maintain their respective pro rata shareholding interests in the Company and to continue to participate in the future developments of the Group, in particular the growth potential in Java cards and payment terminals. Furthermore, compared to a share placement, a rights issue will have the least potential dilution impact given it will give each Shareholder an opportunity to maintain his/her/its pro rata shareholding in the Company. The Directors also consider that the Rights Issue will enable the Group to raise additional fund for operational use without incurring further debts and interests arising from additional borrowings. Accordingly, the Directors are of the view that the Rights Issue is in the interests of the Company and the Shareholders as a whole.

EQUITY FUND-RAISING EXERCISE OF THE COMPANY DURING THE PAST TWELVE MONTHS

The Company did not conduct any rights issue, open offer or other equity fund raising exercise in the twelve months immediately preceding the date of the Announcement and up to the Latest Practicable Date.

GENERAL

Since the Rights Issue would not increase either the total issued Shares or the market capitalisation of the Company by more than 50%, the Rights Issue is not required to be approved by the Shareholders in a general meeting under the Listing Rules.

FURTHER INFORMATION

Your attention is drawn to the additional information set out in the appendices to this Prospectus.

WARNING OF THE RISKS OF DEALING IN THE SHARES AND NIL-PAID RIGHTS SHARES

Shareholders and potential investors of the Company should note that the Rights Issue is conditional upon, among other things, the Underwriting Agreement becoming unconditional and not being terminated (see the section headed “Underwriting arrangement for the Rights Issue – Termination of the Underwriting Agreement” above). Accordingly, the Rights Issue may or may not proceed.

The Shares have been dealt in on an ex-rights basis from Friday, 14 October 2016. Dealings in the Rights Shares in nil-paid form are expected to take place from Tuesday, 25 October 2016 to Tuesday, 1 November 2016 (both days inclusive). Any Shareholder or other person contemplating transferring, selling or purchasing the Shares and/or the Rights Shares in their nil-paid form is advised to exercise caution when dealing in the Shares and/or the nil-paid Rights Shares.

LETTER FROM THE BOARD

Any person who is in any doubt about his/her/its position or any action to be taken is recommended to consult his/her/its own professional adviser(s). Any Shareholder or other person dealing in the Shares or in the nil-paid Rights Shares up to the date on which all the conditions to which the Rights Issue is subject are fulfilled (and the date on which the Underwriter's right of termination of the Underwriting Agreement ceases) will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed.

The Directors are of the opinion that, after taking into account the financial resources available to the Group, including its internally generated funds, available banking facilities and the net proceeds from the Rights Issue, the Group will have sufficient working capital to satisfy its requirements for at least twelve months from the date of this Prospectus in the absence of any unforeseen circumstances.

3. INDEBTEDNESS STATEMENT

Borrowings

As at the close of business on 31 August 2016, being the latest practicable date for the purpose of this indebtedness statement prior to the printing of this Prospectus, the Group had bank loans of approximately HK\$35.5 million which were secured by a corporate guarantee from the Company.

Shareholder loan

As at 31 August 2016, the Group had an unsecured shareholder loan of approximately HK\$19.6 million. There was no guarantee for the shareholder loan.

Contingent liabilities

As at 31 August 2016, the Company had outstanding corporate guarantee of HK\$81.5 million (plus accrued interest thereon) to banks in respect of banking facilities granted to its two main subsidiaries. As at 31 August 2016, the Group had available banking facilities of approximately HK\$69.6 million, of which approximately HK\$34.1 million had not been utilised. Save as disclosed herein, the Group did not have any significant contingent liabilities.

Save as aforesaid or as otherwise disclosed herein, apart from intra-group liabilities and normal trade and other payables, the Group did not have any debt securities issued and outstanding or agreed to be issued, any outstanding bank overdrafts or loans, or other similar indebtedness, loan capital, debentures, liabilities under acceptances, acceptance credits, hire purchase or finance lease commitments, mortgages, charges, or guarantees or other material contingent liabilities as at the close of business on 31 August 2016.

4. MATERIAL ADVERSE CHANGE

Based on the unaudited results of the Group for the six months ended 30 June 2016 as set out in the interim report of the Company, the Group recorded a loss attributable to the Shareholders of approximately HK\$19.9 million for the six months ended 30 June 2016, as compared to a profit attributable to the Shareholders of approximately HK\$9.4 million for the corresponding period in 2015. This was primarily caused by (i) the decrease in revenue and gross profit due to postponement of placement of orders by clients in the first half of 2016 as a result of the global economy downturn; (ii) the receipt of benefits amounting to US\$1.3 million (equivalent to approximately HK\$10.1 million) under the life insurance policy for the late Mr. Wong Yiu Chu for the corresponding period in 2015 while there was no such income for the six months ended 30 June 2016; and (iii) the non-recurring loss of approximately HK\$4.4 million as a result of an internal restructuring of the Group which mainly comprised of termination and redundancy payments to staff and a disposal loss on plant and equipment.

Save as aforesaid, the Directors confirmed that there have been no material adverse changes in the financial or trading position of the Group since 31 December 2015, the date to which the latest published audited consolidated financial statements of the Group were made up and up to the Latest Practicable Date.

5. FINANCIAL AND TRADING PROSPECTS OF THE GROUP

The Group is principally engaged in the development, sales and distribution of smart card products, both hardware and software, and provision of smart card related services. The Group's principal business activities are currently classified into four different product and service lines, namely (i) readers; (ii) terminals; (iii) card operating systems; and (iv) solutions business including (a) AFC solutions; and (b) ITS solutions.

Over the past years, the Group has already developed expertise in the smart card and NFC markets as well as the AFC and ITS markets. The Group anticipates greater demand for its existing and newly launched products and services in the smart card and NFC markets as supported by different initiatives around the world to replace magnetic technologies with smart card-based and

NFC systems. Given the growth potential of the ITS market and its strength in other technological aspects of transport apart from AFC such as fleet management and tracking, the Group will continue to take on new projects in the ITS market.

While the Group has established a foothold in the smart card and NFC markets as well as the AFC and ITS markets, Java cards (i.e. EMV bank cards) and payment terminals will be the new growth drivers of the Group in the future. Currently, in anticipation of further demand from the payment and financial services markets, the Group is developing a smart card operating system, namely the ACOSJ series, which is powered by Java and can be applied for EMV bank card payments. The rapid growth in worldwide shipments of EMV bank cards provides an opportunity for the Group to penetrate the EMV bank card market through development of EMV bank cards like the ACOSJ series. The industry trend of migrating from magnetic stripe towards EMV and contactless technologies presents demand not only for EMV bank cards like the ACOSJ series, but also for banking POS terminals. The Group is currently working towards launching an all-in-one banking POS terminal designed for payments using bank-issued cards.

With its technology base, knowledge base and portfolio of projects, the Group expects to be able to make greater achievements towards realising its prospects in the aforementioned markets.
