B. Business activities

(Please insert here a brief description of the business activities undertaken by the Company and its subsidiaries.)

Advanced Card Systems Limited, the major operating subsidiary of the group, was established in December 1995. Today the group specialises in the design, manufacture and sale of smart card products, including mainly smart card readers as well as smart cards and smart card operating systems (collectively "ACS products"). ACS products can be classified as (i) "off-the-shelf" products (including those requiring minor customisation work such as modifications to casings, addition of logos and minor alterations); and (ii) customised products.

When supplying ACS products, the group may also provide related services including product packaging and applying on behalf of its customers for industry standard certification (in respect of some of the
