

ACS ACR350 the advanced PCI-certified terminal is now available!

ACS is excited to announce the general availability of ACR350, the advanced terminal with upgraded functions, which include the PCI certification, EMV certified kernels, (MasterCard® Contactless and Visa PayWave®) and barcode scanner. This terminal allows the Automatic Fare Collection (AFC) system to offer a highly secure, efficient and user-friendly payment experience. With the module passed the PCI PTS 5.1 with SRED, ACR350 is a certified device which can be used for open-loop payment systems with debit/credit cards securely.
