ACS End of Life Product List

Date: 22 December 2020

Dear Customer,

To ensure delivery of up-to-date and cost-effective products, ACS may discontinue specific products or even the product series. Some of the ACS products reach the end of their product life cycle for several reasons. These reasons include market demands, no supply of certain components and new replacements. We have prepared below ACS End of Life Product List that summarizes the End of Life products since 2017 and provides corresponding ACS alternative products.

Initiate Date	End of Life Product	Alternative Product
2020-12-22	ACR123U	ACR1222L
2020-12-22	ACR123S	No replacement
